As the days get shorter and the temperatures cool off our HOME & GARDEN CENTER transforms into a HOLIDAY WONDERLAND! Browse our unique holiday collection while sipping a complimentary Starbucks coffee or cocoa. Meet up with friends in front of the fireplace and enjoy the day together. Our talented team has created several themed trees and display vignettes for inspiration and will be on hand to help with selections and design tips. As always, we **THANK YOU** for your patronage and are looking forward to seeing you this holiday season!
